Congratulations to all those who claimed score badges for the single WA round and, subject to ratification, to Jarad Tong, who has claimed a national junior barebow record for the single WA70 round.

Thanks are due to the club members of the work party, who set up the range quickly and efficiently, and also to the results team who worked quietly and quickly to keep the interim results up to date and produce and check the overall results.

We hope to see you again next year.
